

NYC-G250R Photoluminescent Directional Markings & Signs

The Ecoglo **NYC505-G250R** series of photoluminescent directional markings and signs comply with the requirements of 3RCNY 505-01 "Apartment and Guest Room Identification and Directional Markings and Signs," and 3 RCNY 505-02, "Apartment, Guest Room and Stairwell Fire Emergency Markings". The non-radioactive, non-toxic photoluminescent material is visible for many hours after the lights go out, having been charged by sunlight or artificial light. The NYC505-G250R series comes with a double-sided tape on the base for a simple peel and stick installation.
